Community Tap Day

History :

Horsefly Brewing Company's Community Tap Day was an idea originally born from a good friend in Lakeside, MT at Tamarack Brewing.

The idea was so popular and we saw how much they were able to do for the community there that we asked if we could borrow the idea and try to give back to our community of Montrose that has helped us in so many ways.

How it Works:

– Your organization **completes the application form** and returns it to **Mariah O'Leary at Horsefly Brewing Company** or by emailing the completed form to **ctd@horseflybrewing.com**

– We work with your organizers on **selecting the date** to hold your Community Tap Day.

– Your organization will receive **\$1.00 for every soda and beer pint sold** on your Community Tap Day between **11:00am until close**.

What You Do :

– **You promote** your Community Tap Day with your organization and through your regular advertising channels.

– **You hand out** your Community Tap Day certificates for your supporters hand or show [facebook post] the wait staff to gain proper credit for purchases

– You may also provide a unique opportunity for your organization to market & sell your own promotional goods, such as t-shirts, silent auction items, raffle items, etc.

– You **pickup your** Community Tap Day **check**, made out to your organization, at the end of the week.

What We Do :

– We **provide the space and** the locally brewed, fresh **beer**.

– We will **post** your organization's Community Tap Day date at Horsefly Brewing, on our **web site horseflybrewing.com**, our **Facebook page horsefly.brewery** and any of our other announcement venues.

– **Within the week**, we tally all pints sold between 11:00am and close and then cut a check to your organization.

If you have any questions in organizing or executing your Community Tap Day, please call Mariah O'Leary or Phil Freismuth at 970-249-6889
